CAREER OBJECTIVE

Motivated Information Technology graduate with hands-on experience in Java and C# programming, along with proficiency in Blender and Microsoft Office tools. Known for adaptability, strong time management, and a commitment to continuous learning. Eager to contribute to innovative projects and collaborate effectively with industry professionals to deliver impactful solutions.

EXPERIENCE

On-the-Job Trainee, Office Staff, Sun Gold Realty Development, Santa Clara, Santa Maria, Bulacan (486 Hours January-May 2025)

- Setting up PCs, and assisting with LAN cable replacement to support office network stability and IT operations.
- Designed vicinity maps and lot plans using Adobe Photoshop, and organized listing data by encoding landowner information, property details, and receipt records into Microsoft Excel for easier data management and visualization.
- Conducted research and encoded contact information for assessors, agents, brokers, food producers, and major industries by region, helping expand the company's connections and client database.
- Carried out tasks such as file and document organization, and office errands, contributing to smooth daily operations.

Part Time, Office Staff, Sun Gold Realty Development, Santa Clara, Santa Maria, Bulacan (June-July 2025)

- Designed visually engaging promotional banners for social media to advertise land acquisition needs and attract property sellers; also designed lot plans using Adobe Photoshop.
- Handled tasks such as file management, data encoding, document preparation and printing, and office errands to maintain smooth daily operations.
